

As a Distributor licensed by the Publisher, Techstreet (“Techstreet”) is willing to deliver the purchased Publication(s) (“Publication(s)”) to the Purchaser (“You”) in electronic format on the condition that You accept the following terms of use (“Agreement”):

License: The Publisher hereby grants You a nonexclusive, nontransferable right to download Publication(s) in electronic format provided for your individual use on one computer. You may install one copy of each Publication on, and permit access to it by, a single computer owned, leased or otherwise controlled by You. In the event that that computer becomes dysfunctional, such that You are unable to access the Publication(s), You may transfer the Publication(s) to another computer, provided that the Publication(s) is removed from the computer from which it is transferred and the use of the Publication(s) on the replacement computer otherwise complies with the terms of this Agreement.

Concurrent viewing of the Publication(s) on two or more computers is prohibited by this license. If Publication(s) are stored on your personal computer on a network, the Publication(s) should be locked so as not to be accessed by other users on the network. You may copy the Publication(s) file only for backup purposes. Alternative licensing, e.g. for libraries and corporations, can be arranged by contacting Techstreet or the Publisher directly.

Copyright: Publication(s) obtained from this system are copyrighted. *Except as specified herein, no part of the printed Publication(s), nor any part of electronic files, in part or in whole, may be reproduced or transmitted in any form, including transmittal by e-mail, by file transfer protocol (FTP), or by being made part of a network-accessible system, without the prior written permission of the copyright owner, or without going through the legal transfer process provided on the Techstreet web site.* Neither concurrent viewing on two or more computers nor use in a local area network or other network is permitted. You shall not merge, adapt, translate, modify, rent, lease, sell, sublicense, assign or otherwise transfer any of the Publication(s), or remove any proprietary notice or label appearing on any of the Publication(s). Allowable exemptions to copyright are specified under the Fair Use Doctrine, (U.S.C. Title 17, Section 107). Any violation of this Agreement is cause for revocation of this License.

Printing: Except as specified below, You may print one single copy of each PDF file, provided it is used for personal viewing only. Publication(s) printed from PDF files should not be transferred to other users or reproduced in any way. Publication(s) printed from PDF files should not be stored as part of a collection that is accessed by individuals other than You, the purchaser. More information about fair use of printing can be found in the Fair Use Doctrine, (U.S.C. Title 17, Section 107).

If you have questions at any time regarding the use of electronic files, please contact Techstreet (service@techstreet.com or 734-302-7801) for guidance and clarification. Once an order is submitted for documents in electronic format, there are no refunds or exchanges.

Company-wide multi-user licenses are available. Please contact Techstreet for more details.
